Dear Mr. Osborn,

April 19, 2007

I have tried to call you the past few days to give you the names and numbers that you requested. I called the tribal office and they suggested that I fax this information to you. The tribal secretary also let me know that the fax that I sent a couple of days ago was still in your box. So, hopefully you will have time to look over the packet (our decision memo, draft PA, draft MOA, and maps) that I faxed earlier this week.

Please call me and I will help facilitate the resolution of this issue.
